A UnitedHealthcare Company

Feel confident and prepared for next year

UnitedHealthcare has been America's most chosen Medicare Advantage brand for 18 years in a row. Your health and well-being are at the heart of everything we do. We're here to help you get the care you need. Our goal is to keep your coverage affordable and make your Medicare experience easier. Some plan details may change each year, but our commitment to you stays the same.

Medicare industry changes may affect some plan benefits

Each year, Medicare plans may change because of industry regulations and federal funding. We know it's important to understand what's changing in 2027. This can help you make the best choices for your health and budget.

What's changing for your plan in 2027

This Annual Notice of Change explains your 2027 plan updates. It includes any changes to your costs, benefits and coverage. Reviewing it now can help you decide if this UnitedHealthcare plan still fits your needs.

Here are a few benefit highlights for your 2027 plan:

Your plan will still have an over-the-counter (OTC) credit to help with your everyday needs, but the amount will change next year. Use your credits and earned rewards to buy thousands of covered OTC products, plus healthy food and utilities for members who qualify.

Your plan includes \$4,500 toward preventive and comprehensive dental services. Sign in to your member site for more details.

Your plan includes a \$300 vision allowance. You can use it to buy a pair of eyeglasses (lenses and frames) or contacts.

Your plan may have other changes. Please review this Annual Notice of Change for full details.

New for 2027: 2 cards for extra protection and reliability

In 2027, you'll get 2 easy-to-use cards:

- Your member ID card – Use this at the doctor's office and pharmacy
- Your UnitedHealthcare UCard® – Use this for plan benefits like: OTC credits

Having separate cards helps protect your personal health information. It also makes your benefits easier to use. Your cards will come in separate mailings. Please watch for both.

Guidelines for using your OTC credits

To keep using OTC credits for healthy food and utilities, we're required to confirm you have a qualifying chronic health condition and complex health needs. The good news is we're already reviewing your eligibility. We'll send you an update soon.

Section 1.6 Changes to Part D Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or Drug List. **You can get the complete Drug List** by calling Customer Service at 1-855-245-5196 (TTY users call 711) or visiting our website (**myPreferredCare.com**). This material will be available online after **October 15, 2026**.

We made changes to our Drug List, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the Drug List are new for the beginning of each year. However, we might make other changes that are allowed by Medicare rules that will affect you during the calendar year. We update our online Drug List at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you're taking, we'll send you a notice about the change.

If you're affected by a change in drug coverage at the beginning of the year or during the year, review Chapter 9 of your Evidence of Coverage and talk to your prescriber to find out your options,

such as asking for a temporary supply, applying for an exception and/or working to find a new drug. Call Customer Service at 1-855-245-5196 (TTY users call 711) for more information.

- **Stage 1: Yearly Deductible**

We have no deductible, so this payment stage doesn't apply to you.

- **Stage 2: Initial Coverage**

In this stage, our plan pays its share of the cost of your drugs, and you pay your share of the cost. You generally stay in this stage until your year-to-date out-of-pocket costs reach \$2,400.

- **Stage 3: Catastrophic Coverage**

This is the third and final drug payment stage. In this stage, you pay nothing for your covered Part D drugs. You generally stay in this stage for the rest of the calendar year.

Use your UCard as payment in-store or online to spend your OTC credits on eligible items. UCards expire after 3 years, which means you won't get a new UCard every year. You can destroy your current card Jan. 1, 2027. To check your balance, find participating stores and eligible items, visit the UCard Hub on the UnitedHealthcare app or your member site.

Section 3 How to Change Plans

To stay in our plan, you don't need to do anything. Unless you sign up for a different type of Medicare health plan or change to Original Medicare by December 7, you'll automatically be enrolled in our UHC Preferred Dual Complete FL-Y6 (HMO-POS D-SNP).

If you want to change plans for 2027, follow these steps:

- **To change to a different Medicare health plan,** enroll in the new plan. You'll be automatically disenrolled from UHC Preferred Dual Complete FL-Y6 (HMO-POS D-SNP). Remember, not all Medicare health plans cover prescription drugs. Also, be aware that for many plans, you can't join a Medicare health plan and simultaneously purchase a prescription drug plan.
- **To change to Original Medicare with separate Medicare drug coverage,** you can enroll in a Part D plan, and you'll automatically be disenrolled from UHC Preferred Dual Complete FL-Y6 (HMO-POS D-SNP).
- **To change to Original Medicare without a drug plan,** you can send us a written request to disenroll or visit our website to disenroll online (myPreferredCare.com). Call Customer Service at 1-855-245-5196 (TTY users call 711) for more information on how to do this. Or call Medicare at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048. If you don't enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty.
- **To learn more about Original Medicare and the different types of Medicare plans,** visit [Medicare.gov](https://www.Medicare.gov), check the **Medicare & You 2027 handbook**, call your State Health Insurance Assistance Program (go to Section 5), or call 1-800-MEDICARE. As a reminder, UnitedHealthcare Insurance Company or one of its affiliates offers other Medicare health plans AND/OR Medicare drug plans. These other plans can have different coverage, monthly plan premiums, and cost-sharing amounts.

Section 3.1 Deadlines for Changing Plans

People with Medicare can make changes to their coverage from **October 15 – December 7** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2027, and don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) between January 1 – March 31, 2027.

Section 3.2 Are there other times of the year to make a change?

In certain situations, people can have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

Because you have Medicaid, you can end your membership in our plan by choosing one of the following Medicare options in any month of the year:

- Original Medicare with a separate Medicare prescription drug plan,
- Original Medicare without a separate Medicare prescription drug plan (If you choose this option, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.), or
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for 2 full months after the month you move out.

Section 4 Get Help Paying for Prescription Drugs

You can qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs, including monthly drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify won't have a late enrollment penalty. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048, 24 hours a day, 7 days a week;
 - Social Security at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday - Friday for a representative. Automated messages are available 24 hours a day. TTY users call 1-800-325-0778.
 - Your State Medicaid Office.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible people living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your state, you must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D drugs that are also covered by ADAP qualify for prescription cost-sharing help through the ADAP in your state. For information on eligibility criteria, covered drugs, how to enroll in the program, or if you're currently enrolled, how to continue getting help, call the ADAP in your state. You can find your state's ADAP contact information in Chapter 2 of the **Evidence of**

Coverage. Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.
